I. OLD BUSINESS

A. Agenda Item No.1: Review of R&D Program for Fiscal Year 1963.

1. Introduction

This agenda item was carried over for continued discussion from meeting No. 3-62 of 9 May.

At the 9 May meeting the Board asked that OC-E provide more detailed information on the various projects intended for R&D during fiscal year 1963, as well as information on those projects on which work was done in the past but no R&D effort programmed for FY-63. As a result, prior to the meeting, OC-E had distributed comprehensive information on the proposed FY-63 program to Board members.

2. Discussion

25X1A [redacted] opened discussion of the proposed FY-63 R&D program by stating that the written information provided the Board members was, he believed, quite complete and that, additionally, the program had been discussed in considerable detail with the various OC operations elements, continuing that he felt no further verbal introduction was necessary but that he and members of his Staff were present to answer any questions members of the Board might raise. A summary of the pertinent questions, answers, and comments on the proposed R&D program for FY-63 follows:
